

**Friends go to the park.
One friend goes to the creek to play**

One friend flutters with the butterflies

...

나비

개미

One friend looks at the ants...

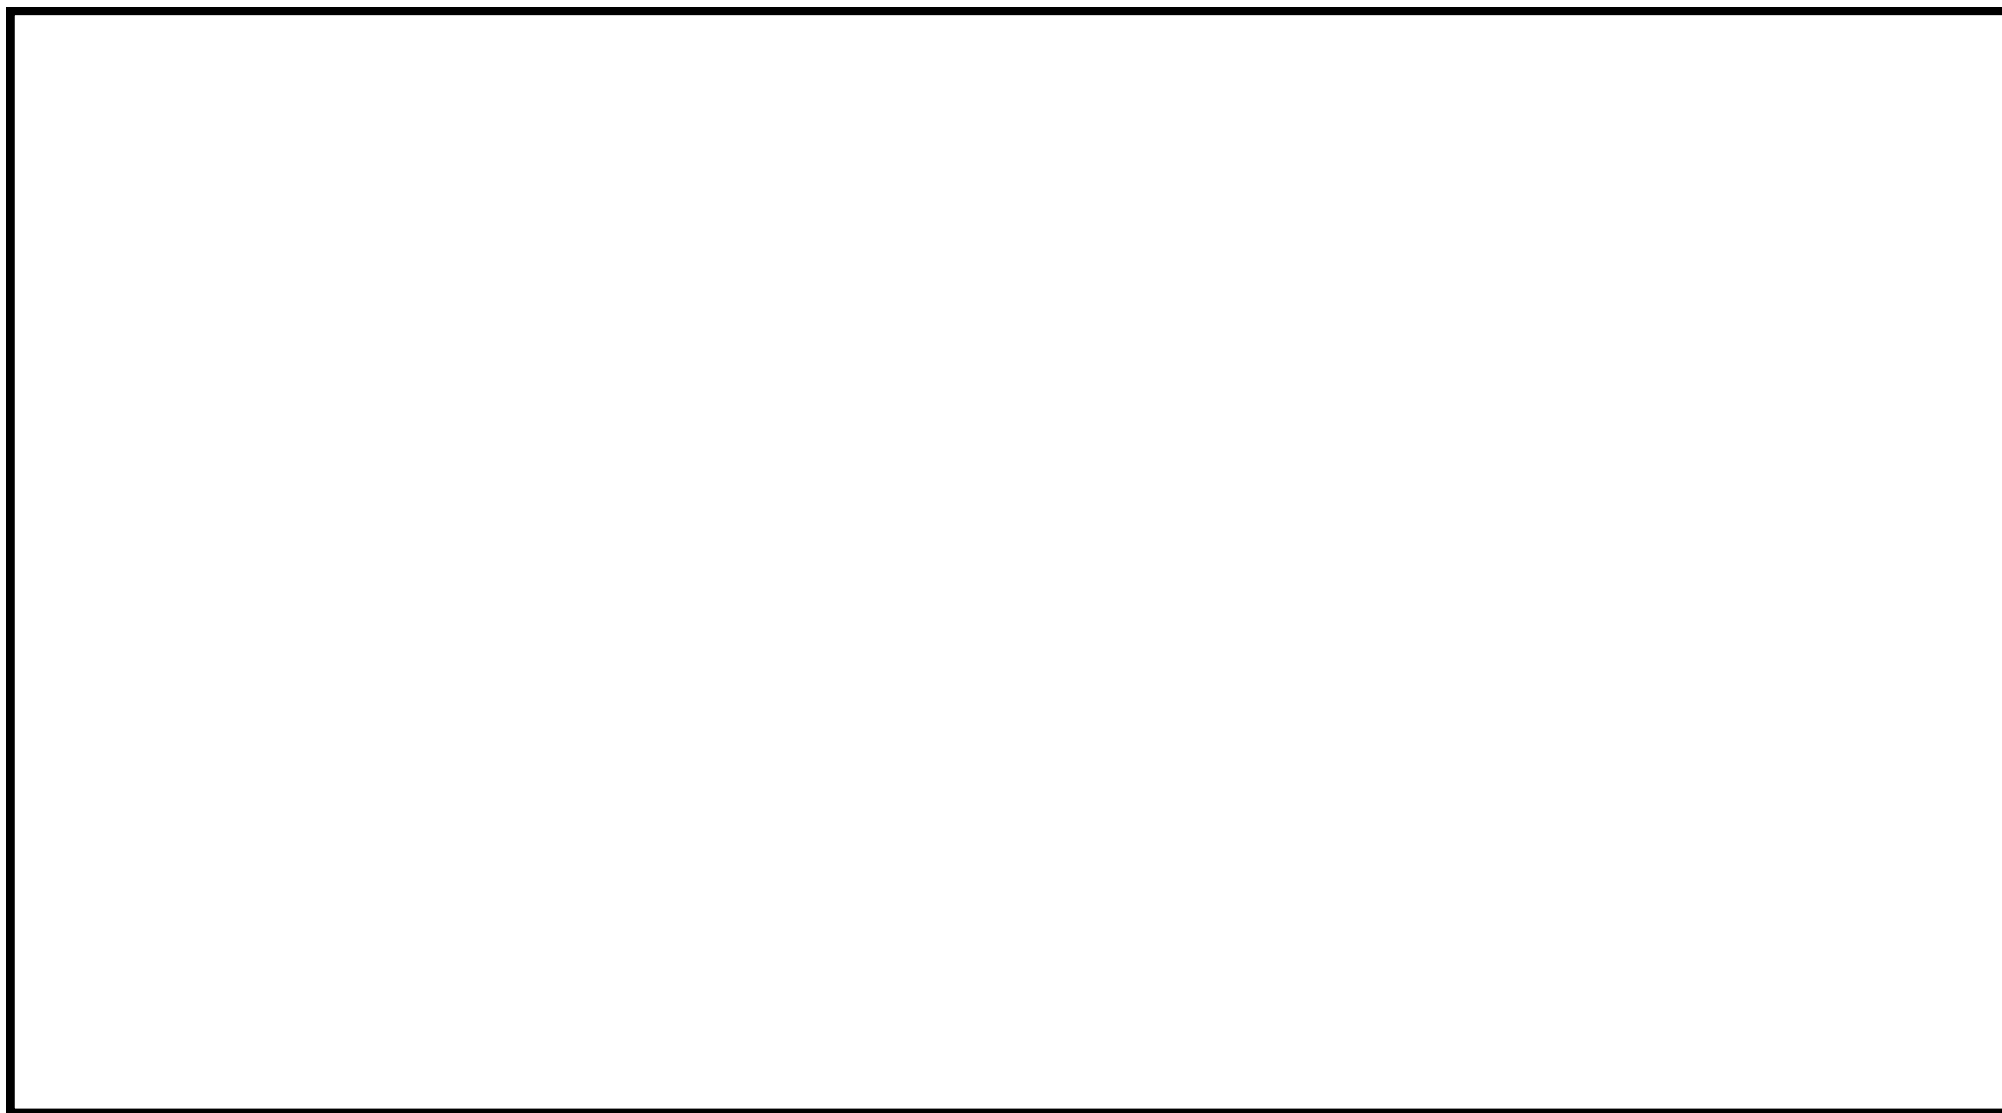

**The one friend
left, didn't know
what to do...
Alone. Sad. What
do you think he
should do?**

Brainstorm as many solutions as you can

This solution involves spending money. Can you think of a solution that doesn't?
